# Where Is My Mind?

## White Wives

With your feet on the air and your head on the ground
You try this trick and spin, yeah
Your head will collapse, there is nothing in it
And you ask yourself?
Where is my mind? Where is my mind?
Where is my mind? Where is my mind?
Way out, in the water see her swimmin'
I was swimmin' in the Caribbean
Animals were hiding behind the rocks, yeah
Except the little fish but he told me east is west
They tryin' to crack

Where is my mind? Where is my mind?
Where is my mind? Where is my mind?
Way out, in the water see her swimmin'
With your feet on the air and your head on the ground
Try this trick and spin, yeah
Your head will collapse and there's nothing in it
And you ask yourself
Where is my mind? Where is my mind?
Where is my mind? Where is my mind?
Way out, in the water see her swimmin'
