

Breaking Free

Zac Efron

Were soarin, flyin
Theres not a star in heaven
That we cant reachIf were trying
So were breaking freeYou know the world can see us
In a way thats different than who we are
Creating space between us
Til were separate heartsBut your faith it gives me strength
Strength to believeWere breakin free
Were soarin
Flyin
Theres not a star in heaven
That we cant reachIf were trying
Yeah, were breaking free
Oh, were breakin free
OhhCan you feel it building
Like a wave the ocean just cant control?
Connected by a feeling
Ohh, in our very soulsRising til it lifts us up
So every one can seeWere breakin free
Were soarin
Flyin
Theres not a star in heaven
That we cant reachIf were trying
Yeah were breaking free
Oh we're breakin' freeOhh runnin
Climbin
To get to that place
To be all that we can beNows the time
So were breaking free
Were breaking free
Ohh, yeahMore than hope
More than faith
This is true
This is fate
And together
We see it cominMore than you
More than me
Not a want, but a need
Both of us breakin freeSoarin!

Flyin

Theres not a star in heaven
That we cant reachIf were trying
Yeah were breaking free
Breaking freeWere runnin
Ohh, climbin
To get to the place
To be all that we can beNows the time
Nows the time
So were breaking free
Oh, were breaking free
OhhYou know the world can see us
In a way thats different than who we are
