

# Put the Shoe On the Other Foot

Albert Collins

Put your shoe on the other foot  
You can walk just like me  
Put your shoe on another foot  
You can walk just like meWalkin' an' a talkin'  
See an' feel a just like mePut your hand in another glove  
You can feel just like me  
Put your hand in another glove  
You can feel a just like meWalkin' an' a talkin'  
See an' feel a just like mePut your shoes on, babyPut your eye on another view  
You can see just like me  
Hey, put your eye on another view  
You can see just like meWalkin' an' a talkin'  
See an' feel a just like mePut your tongue on another word  
You can talk just like me  
Put your tongue on another word  
You can talk just like meWalkin' an' a talkin'  
See an' feel a just like meWhoa, whoa, whoa, ho  
Always talkin' all the time  
Whoa, whoa, whoa, ho  
Walk on, babyWalkin' an' a talkin'  
See an' feel a just like meWhoa, whoa, whoa ho  
Ooh, ooh
