

# Miracle

## Paramore

I've gone for too long  
Living like I'm not alive  
So I'm going to start over tonight  
Beginning with you and I When this memory fades  
I'm gonna make sure it's replaced  
With chances taken, hope embraced  
And have I told you? I'm not going 'cause I've been waiting for a miracle  
And I'm not leaving  
I won't let you, let you give up on a miracle  
When it might save you We've learned to run from  
Anything uncomfortable  
We've tied our pain below  
And no one ever has to know That inside we're broken  
I try to patch things up again  
To count my tears and kill these fears  
But have I told you, have I? I'm not going 'cause I've been waiting for a miracle  
And I'm not leaving  
I won't let you, let you give up on a miracle  
When it might save you It's not faith if, if you use your eyes  
Oh why?  
We'll get it right this time  
Let's leave this all behind  
Oh why? We'll get it right this time  
It's not faith if you're using your eyes  
Oh why? Now I've gone for too long  
Living like I'm not alive  
So I'm going to start over tonight  
Beginning with you and I I don't want to run from  
Anything uncomfortable  
I just want, no  
I just need this pain to end right here I'm not going 'cause I've been waiting for a miracle  
And I'm not leaving  
I won't let you, let you give up on a miracle  
'Cause it might save you Yeah, it might save you  
Oh, it might save you It's not faith if, if you use your eyes  
If you use your eyes  
If you use your eyes
