

Somebody Else's Boyfriend

The Corrs

Someone else's man has captured my heart
Attention seeking, maybe and it's tearing me apart
I tried my best to charm him into letting her go loose
But he keeps me from retrieving with another good excuse Though I'd hate it done to me, I'm as busy as can be,
still Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend Though I realise this game will have to stop
Each day you're diggin' deeper still tryin to get on top
I lie awake at night thinking things could be just fine
(I lie awake tonight thinking things could be just fine)
When I bring you to believin' that your love should be mine Though I'd hate it done to me, I'm as busy as can
be Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend Still runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend
(Still runnin', still runnin', still runnin', still runnin') Although I'd hate it done to me
Although I'd hate it done to me, I'm as busy as can be, still Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend (Still runnin')
I'm runnin' after somebody else's boyfriend
(Still runnin')
Runnin' after somebody else's boyfriend (Still runnin')
I'm runnin' after somebody else's boyfriend
(Still runnin')
Runnin' after somebody else's boyfriend (Still runnin')
Runnin' after somebody else's boyfriend
(Still runnin')
Yeah, I'm runnin' after somebody else's boyfriend
Runnin' after somebody else's boyfriend
