

Life

Aselin Debison

I learned a lot today
You've been teachin'
Things that I don't wanna know
I had so much to say I thought I knew the answers
But that seems so long ago
And I wish there was another way
That didn't hurt so much I'm learning that I can say goodbye
I'm learning that I can be strong inside
I'm ready, I'm ready to get it right
I'm learning about life I've learned a lot so far
It's got me thinking
What will happen down the road?
Sure I'll make mistakes But I'll keep dreaming
They might come true you never know
And I wish there was another way
That didn't make me cry I'm learning that I can say goodbye
I'm learning that I can be strong inside
I'm ready, I'm ready to get it right
I'm learning about life I gotta long, long way to go
Where I'm goin' I don't know
But I'll be alright
Just you wait and see I learned a lot today
You've been teachin'
Things that I don't wanna know
I'm learning that I can say goodbye I'm learning that I can be strong inside
I'm ready, I'm ready to get it right
I'm learning about life
I'm ready, I'm ready to get it right
I'm learning about life
