

Going Down

Hydra

I'm going down,
I'm going down, down, down, down, down
Yes, I'm going down,
I'm going down, down, down, down, down
Yes, you got my big feet in the window,
got my head on the groundLet me down,
and close that gold front door
Yes, put me down baby,
and close that gold front door
I'm going back to find a new girl,
cause women do light your soulI'm going down,
I'm going down, down, down, down, down
Yes, I'm going down,
I'm going down, down, down, down, down
Yes, you got my big feet on the window,
Got my head on the ground
