

Intro (Formula)

Romeo Santos

You have 4 new voice messages
New message Yo Rome
What's up this is clou
I know that Formula Vol. 2 is done man
I know its fire
I need my advanced copy man
Hit me back, aite
Gone Hey mani
Que es lo que
Dime a ver de que Formula 2 viene durísimo
Tá-reme, tá-reme pa' yo ver esa vaina, tá-reme Hey Romeo
It's been a long time
I wanna hear Vol. 2 I heard its fire
Don't be a stranger Hey, Romeo Santos
Hey man, It's Kevin Hart
A.k.a chocolate drop
What's with this Formula 2 sh*t
I don't understand
Why you would go with a Formula 2 title
For your album man
There's so much better stuff out there Like you supposed to be big
With the Spanish community
You know what I'm saying
So you should go with some Spanish shit man
Like like guava
You know what I'm saying
Or how about tamales, tamales on something
Something else man
Bottom line If you need help
Call your boy
You know I'm huge over there
Spanish woman love me
They call me chocolate drop
Tell em', hey man f*ck, wherever
You get what I'm trying to say
No Formula 2 bullshit
