

The Teacher

Big Country

We talked and smoked all through the night
You led me where I had no sight
Till birdsong broke the morning light
And I was weak with strange delightTeacher will you show to me
The bond between the land and sea?
I am new to mystery
I want everything laid out for meAll of history
All of historyYou showed me walls around the world
Where seekers passed and flags unfurled
You wove a tale in silken curls
And blew the mist in silver swirlsTeacher will you show to me
The bond between the land and sea?
I am new to mystery
I want everything laid out for meAll of history
All of historyTeacher will you show to me
The bond between the land and sea?
I am new to mystery
I want everything laid out for meAll of history
All of history
All of history
All of history
