

Smile (Sonrie)

Il Volo

Smile when your heart is aching
Smile even though it's breaking
When there are clouds in the sky
You'll get by
If you smile through your fear and sorrows
Smile and maybe tomorrow
You see the sun come shining through for you
Light up your face with gladness
Hide any trace of sadness
Although our tears be ever so near
That's the time you must keep on trying
Smile, what's the use of crying
You'll find life is still worth while
If you just smile Smile though your heart is aching
Smile even though it's breaking
When there are clouds in the sky
You'll get by
That's the time you must keep on trying
Smile, what's the use of crying
You'll find life is still worth while
If you smile When there are clouds in the sky
You'll get by If you smile, smile
You'll find that life is still worth while
If you just smile
