

Hung Up

Priscilla Renea

I
Picked up the phone
And dialed your house
No one was home
Or so I thought
Before the final ring
When she picked up
Before the voice machine
And I was taken aback
I took two breaths then asked to speak to Zack
She said "Who's calling?"
I didn't say
And then I heard your voice in the background say
"Baby who is that?"
"Baby I dunno, she won't say her name."
"Gimmie the phone."
"Hello... hello?"
Click
He hung up the phone
SHIT!
He hung up the phone
Click
He hung up the phone
Just like that
He hung up the phone
Well I just sat there
In disbelief
Thinking this ain't happening to me
Began to call back
To my surprise
Buzz

The phone lit up before my eyes
I placed it
Upon my ear
He said
"I told you not to call me here!"
"Was that your girlfriend?"
I kindly asked

Thats when he started talking really fast

"I'm not that type of guy...,

Baby you know me!"

"Babe who are you talking to?"

"Nobody..."

[Hook]By now

You could say im tired of all the lies

So tired of player guys

Just want somebody to love me

Somebody to love me right

By now

So sick of sleeping alone at night

While she lays there by your side

Wouldnt it be lovely

Wouldnt it be lovely I

I

Picked up the phone

And dialed your house

No one was home

Thank you Jesus!

I left a message

Saying "I hope he loves you better"
