

Make a Liar Out of Me

Striking Matches

don't you come any closer
somebody might get hurt
you keep you're composure
I tell myself

don't touch the flame if you don't wanna get burned
this kind of temptation

I swore I wouldn't give in
cause once you've felt your heart break
you find yourself saying
you're never gonna fall again

so go on, go on
make a liar out of me
prove me wrong if you want
to make me believe
in this feeling between us

said I didn't need
don't you see that I'd love you
to make a liar out of me
and no I don't wanna kiss you
I don't wanna stay here tonight

and it ain't like me to go back on my word

but to tell you the truth

I might
so go on, go on
make a liar out of me
prove me wrong if you want
to make me believe
in this feeling between us

said I didn't need
don't you see that I'd love you
to make a liar out of

go on, go on
make a liar out of me

go on, go on
make a liar out of me

go on, go on
make a liar out of me

go on, go on
make a liar out of me

go on, go on
make a liar out of me

go on, go on
make a liar out of me
prove me wrong if you want
to make me believe
in this feeling between us
said I didn't need don't you see
that I'd love you
to make a liar out of me
