Call Out the Dead

Beastwars

Follow the ship, the blackest ocean
Follow the time, the time of the dead
Follow the time, the time of the battle
Follow your heart, the eternal endWhen they call out the days
When they call out your nameYes it is true I drank with religion
Feasted on the bread too
Yes it is true, I drank with the devils
Worshipped the sky and screamed at the moon
When they call out the name
When they call out the deadYes it is true I drank with religion
Feasted on the bread too
Yes it is true, I drank with the devils
Worshipped the sky and howled at the moon
When they call out the name
When they call out the deadRemember only rock and roll
Remember only rock and roll
Remember only rock and roll
