Someone to Love You

Andrew Ripp

Oh, I've been trying, fighting,
Anything to change your mind.
And I'm tired, so tired.
And now that it's ending, I'm beginning to see the way I let you down and I'm sorry, oh, so sorryI couldn't be the someone to love you.
Someone to get you through the night
Someone to love you.Oh, now I'm trying, fighting
To be the one I know you need,
And I'm getting closer every day.
And where we've been broken let's put hope in,
Just a little bit will get me through, and I mean it when I say:I want to be the, the someone to love you.
The someone to get you through the night,
Willing to hold you. Ready to stay right by your side. Someone to love you. The someone to love you.And when you're lost in the dark i could be the light
the open arms you can run to hold you tight,
when you're lonely Ill be the only sure-thing guaranteed, baby.Just let me be the someone to love you.
Oh, just let me be the someone to love you.
I want to be the someone to love you.
Somebody to get you through the night,
Willing to hold you, yeah.
I'm ready to stay right by your side
Someone to love youSomeone to love you, yeah.
'Body to get you through the night.
Someone to love you, yeah.
I'm ready to stay right by you side.
Someone to love, somebody to, somebody, somebody, I need somebody to love you baby.
Yeah, u-huh
The someone to love you, oh.
I'll be the only one.The someone to love you.
