Motherless Child

Boney M.

Sometimes I feel like a motherless child
Sometimes I feel like a motherless child
Sometimes I feel like a motherless childA long way from home
A long way from my homeBelieve me, believe me, believe me, believe me
Believe me, believe me, believe me, believe me
A long way from my homeSometimes I feel like my hopes are in vain, oh yeah
Sometimes I feel like my hopes are in vain, baby
Sometimes I feel like my hopes are in vainNo way to get home, no no
No way to get homeBelieve me, believe me, believe me, believe me
Believe me, believe me, believe me, believe me
No way to get homeSometimes I feel like a motherless child, yeah
Sometimes I feel like a motherless child, won't someone help me now
Sometimes I feel like I'm almost goneA long way from home
A long way from my homeBelieve me, believe me, believe me, believe me
Believe me, believe me, believe me, believe me
A long way from my homeSometimes I feel like a motherless child, tell me
Sometimes I feel like a motherless child
Sometimes I feel like a motherless childA long way from home
A long way from my homeBelieve me, believe me, believe me, believe me
Believe me, believe me, believe me, believe me
A long way from my homeBelieve me, believe me, believe me, believe me
A long way from my home
Believe me, believe me, believe me, believe me
A long way from my home
