Freaky, freaky girl breakin' hearts around the world (no lie)  
She's a jet set lover, killer undercover, the devil you can see it in her eyes

I'm deep in a trance and I ain't comin' out  
Bankroll on me but I'm under now  
All that ass in her pants keep comin' out

I smoke my dro I pass it around  
She a devil in a red dress but she got good sex  
Yeah, yeah that's what I'm talkin' about

You see this AP gleamin'

Girl I see you cheesin'

For some reason

You just keep teasin'

You know I want you babe

You know I need you girl

Before I leave this club tonight

Need me a freaky girl

You a sight to see

I ain't even gon' lie

You gon' ride with me fuck them other guys

You got me hypnotized the lil things you do

And you got on big thighs with that little bitty waste on you

[Hook: Jeremih]

Freaky, freaky girl breakin' hearts around the world  
She's a jet set lover, killer undercover, the devil you can see it in her eyes

Freaky, freaky girl breakin' hearts around the world (no lie)

She's a jet set lover, killer undercover, the devil in a dress is her disguise

[Verse 2: Jeremih]

Brainstorm set up

Bet you won't forget her

Sw-sw-swear to God lil mama make you wa-wa-want spend it all on a purse and some pu-pu-pumps

Good girl gone bad with that badonk-donk-donk

I never gotta, never got enough-nough-nough  
And since I ain't seen her enough-nough-nough, she want me to beat it up-up-up!  
Shit should be painless, said she wanted to be famous  
And she was just cool with entertainers  
S-so I gave her that steel, didn't leave it stainless  
Yeah on the real kn-knew she was dangerous

[Hook: Jeremih]

Known to fuck around so I gots to use a rubber  
Nasty motherfucka, loves it when I touch her  
Askin' me to hug her, while skeetin' all on my covers  
She loves when I fuck her, loves it when I beat it  
Loves it when I lick her, she askin' me can I eat it  
I'll never mistreat it, she said that I'm the greatest  
We do it all night, she fuck me until I fainted  
She pretty so we do it with the lights on

You wear a dress as your disguise, don't look in her eyes  
Cause she'll turn your ass to stone  
Ok these freaky, freaky girls all around the world  
Baby get down on your knees and give me what I need  
And if that is a problem, you can grab your purse and keys

Ok she never say she love me, she always bring a buddy  
Her body talking to me and her eyes are screaming fuck me (damn)
