The Way You Look Tonight

John Coltrane

There was a time
I was everything and nothing all in one
When you found me
I was feeling like a cloud across the sunI need to tell you
How you light up every second of the day
But in the moonlight
You just shine like a beacon on the bayAnd I can't explain
But it's something about the way you look tonight
Takes my breath away
It's that feeling I get about you, deep insideAnd I can't describe
But it's something about the way you look tonight
Takes my breath away
The way you look tonight
With a smile
You pull the deepest secrets from my heart
In all honesty
I'm speechless and I don't know where to start
