

# The Way You Look Tonight

John Coltrane

There was a time  
I was everything and nothing all in one  
When you found me  
I was feeling like a cloud across the sun I need to tell you  
How you light up every second of the day  
But in the moonlight  
You just shine like a beacon on the bay And I can't explain  
But it's something about the way you look tonight  
Takes my breath away  
It's that feeling I get about you, deep inside And I can't describe  
But it's something about the way you look tonight  
Takes my breath away  
The way you look tonight  
With a smile  
You pull the deepest secrets from my heart  
In all honesty  
I'm speechless and I don't know where to start
