Too Far Gone

The All-american Rejects

Heaven come on Don't try to catch me When I fall I don't belong You won't even hear me When I call Touch down There's no warning Just my spirit falling **Falling** Something's wrong You don't want to hear The things I know Too far gone Gone so far There's no where left to go Touch down There's no warning Just my spirit falling Something's wrong You don't want to hear The things I know Too far gone Gone so far There's no where left to go Get me out of the here and now I want to be another here Another Set me up 'cos I know how It's easy Sucker-sucker Sucker-sucker Sucker-sucker

Shooting stars
Love the way they burn
Inside your eyes
From here to the end
Burning up the cold
And lonely sky

Touch down
There's no warning
Just my spirit falling
Something's wrong
You don't want to hear
The things I know
Too far gone
Gone so far
There's no where left to go
Get me out of the here and now
I want to be another here
Another
Set me up 'cos I know how
It's easy

Sucker-sucker-sucker
Sucker-sucker-sucker-sucker-sucker-sucker-sucker
Heaven come on
Don't try to catch me
When I fall
I don't belong
You won't even hear me
When I call
When I call
When I call

When I call
Something's wrong

You don't want to hear
The things I know
Too far gone
Gone so far

There's no where left to go
Get me out of the here and now
I want to be another here

Another

Set me up 'cos I know how

It's easy

Sucker-sucker

Sucker-sucker

Sucker-sucker

Heaven come on

Heaven come on

Heaven come on

Heaven come on

Heaven come on

Heaven come on
