## Madcap

I go down to the city  
even when the rain falls down [x4]I don't care if it's a  
boy or girl you're after  
I don't care if it's a  
reconable deal  
I don't care if it's a  
nuclear reaction  
I don't care if it's all  
above the newI go down to the city  
even when the rain falls down [x4]You take or make a fence  
Shuv it up your ass  
You can take that dream  
of all my commit  
'cause I know a place  
that's real  
maybe not the people  
but the way I feelDowntown! Here we go!  
Downtown! Here we go!  
I go to the city  
Nothing else to do  
Forget about my worries  
Maybe you should too  
Downtown! Here we go!  
Downtown! Here we go!I go down to the city  
even when the rain falls down [x4]
