

# Less Talk More Rokk (Guitar Hero 2 Mix)

## Freezepop

the basement scene is dark and dusty  
the musty smell of stale air  
cobwebs dangle overhead  
people stumble down the stairs  
lets get this party started, yo  
the band are in the corner of the floor  
their songs are pretty kick-ass  
we're dancing like we've never danced beforethe music is loud  
the kids are so young  
all over the world  
they wanna have fun  
the music is so loud  
it drowns out the talk  
all over the world  
just give us more rokk  
the music is loud  
the night is so young  
all over the world  
we wanna have fun  
the music gets louder  
please dont call the cops  
all over the world  
we just wanna rokkthe kitchen scene is damp and sticky  
they're lined up at the keg of PBR  
we're yelling conversations  
thru the floor you hear the keyboards and guitar  
Im getting kind of antsy  
I just came up here to get some air  
This isnt where the musics at  
I guess Im going back down therethe music is loud  
the kids are so young  
all over the world  
they wanna have fun  
the music is so loud  
it drowns out the talk  
all over the world  
just give us more rokk  
the music is loud  
the night is so young

all over the world  
we wanna have fun  
the music gets louder  
please dont call the cops  
all over the world  
we just wanna rokkthe basement scene is hot and sweaty  
bodies packed from wall to wall  
the band are tearing thru their set  
the encore is the best of all  
lets keep this party going, yo  
weve got nowhere else to be  
someone yells, "less talk more rokk"  
mostly unironicallythe music is loud  
the kids are so young  
all over the world  
they wanna have fun  
the music is so loud  
it drowns out the talk  
all over the world  
just give us more rokk  
the music is loud  
the night is so young  
all over the world  
we wanna have fun  
the music gets louder  
please dont call the cops  
all over the world  
we just wanna rokk  
we just wanna rokk  
we just wanna rokk  
we just wanna rokk  
we just wanna rokk
