

# This Time Of Year

## Better Than Ezra

Well, there's a feeling in the air  
Just like a Friday afternoon  
Yeah, you can go there if you want  
Though it fades too soon So go on, let it be  
If there's a feeling coming over me  
Seems like it's always understood  
This time of year Well, I know there's a reason to change  
And I know there's a time for us  
Think about the good times and you live with all the bad  
You can feel it in the air, feeling right this time of year Well, there's a football in the air  
Across a leaf blown field  
And yeah, there's your first car on the road  
And the girl you'd steal, yeah So go on with yourself  
If there's a feeling coming somewhere else  
Seems like it's always understood  
This time of year Well, I know there's a reason to change  
And I know there's a time for us  
Think about the good times and you live with all the bad  
You can feel it in the air, feeling right this time of year  
Ohh yeah, watch out I sit and watch your flowers wilting in the kitchen  
I felt like I was one of them gasping for air  
I go from room to room then I find your parents  
I play my music louder than you'd like me to Well, there's a feeling in the air  
Just like a Friday afternoon  
Yeah, you can go there if you want  
Though it fades too soon, yeah So go on, let it be  
If there's a feeling coming over me  
Seems like it's always understood  
This time of year Well, I know there's a reason to change  
Well, I know there's a time for us  
Think about the good times and you live with all the bad  
You can feel it in the air, well I can feel it in the air  
Well I can feel it in the air, feeling right this time of year, yeah, yeah
