## Tiffany Evans

Tiffany Evans- Won't Find Me lyricsWhen you need me, you won't be able to find me, able to find me
Please believe me, you won't be able to find me, able to find meHey honey, I rather be alone instead of you trying to play me
You don't think i see at all, Do You?
I'm not crazy No
Boy I'm not crazy no, see you been slipping yeah
and i think it's about time i let you go[hook]
If you want to go and keep saying, I'm just tripping, I'm just tripping out
Baby i won't be fighting, you'll be missing, you'll be missing out
I ain't living this lie, and no i ain't gone cry
you can keep it moving baby, you can keep it moving baby
When you need me, you won't be able to find me, able to find me
Please believe me, you won't be able to find me, able to find meOh Baby, you ain't got to say a thing at all, boy just leave me
You never thought i would see the truth
I'm not crazy No Boy I'm not crazy no,
see you been slipping yeah and i think it's about time i let you go[hook]
If you want to go and keep saying, I'm just tripping, I'm just tripping out
Baby i won't be fighting, you'll be missing, you'll be missing out
I ain't living this lie, and no i ain't gone cry
you can keep it moving baby, you can keep it moving baby
When you need me, you won't be able to find me, able to find me
Please believe me, you won't be able to find me, able to find me[breakdown]When you need me, you won't be able to find me, able to find me
Please believe me, you won't be able to find me, able to find me
When you need me, you won't be able to find me, able to find me
Please believe me, you won't be able to find me, able to find me
