Blue Parade

Sarah Slean

I hear them coming
The blue parade
They're throwing snowflakes and
Singing my name
In deep blue voices
I hear them say,
There's good love out there
Just you wait...Hold on, I'm coming
Don't let anybody inHe don't read stars now 'cause he's getting old
So busy neutralizing
So much it leaves me cold and
How could you lie
How could you leave?
And take of my body, my hands,
My deep blue dreams...Hold on, I'm coming
Don't let anybody in
Hold on, I'm ready
Lock your doors and wait for meNow leaves are falling
From the mercy tree
The blue surrounds me
So I can get some sleep, and
Katie calls, and she'll say
'There's good love out there
Just you waitYou wait'Oh, hold on, I'm coming
Don't let anybody in
Oh, hold on, I'm ready
Lock your doors and wait for me
