

# What Are You For

## All

Tell me how did you get so cynical and suspicious minded?  
If you look for something wrong long enough I'm sure you'll find it  
Save your psychic self-defense  
'Cause I don't care what you're against What are you for?  
I want to know, why don't you tell me so?  
What are you for?  
Quit giving me negative what makes you want to live? They shoved shit down your throat and told you that  
It smells like roses  
But it was just too hard to swallow, then you got  
Halitosis  
Save your evil, save your breath  
'Cuz I don't care what you're against What are you for?  
I want to know, why don't you tell me so?  
What are you for?  
Quit giving me negative what makes you want to live? You're tired of being pushed around  
Want to tear the system down?  
Hey bro - let's go!  
Lyrics  
Just quit your bitchin' about the situation It's not that tough and it's not enough to point your finger  
And I don't know why you should listen to me 'cause I'm just a singer  
Your open mouth don't make you tough  
I see you and I'll call your bluff What are you for?  
I want to know, why don't you tell me so?  
What are you for?  
Quit giving me negative, what makes you want to live?  
What are you for?  
What are you for?
