Love House

Dils, The

Are you ready to do things tonight
That you never dreamed were possible?
Let, let, let's goLove house, house, houseWant to visit a house, hmm?
I am ready, anything
Follow meThere's love in my house for fun, wee
There's love in my house for you
There's love in my house, you won't be sorry
'Cause I know just what to doI'll be good to youIt's Friday night, I'll burn heat
I'm dynamite, just catch me
Nice blow, yeahThis is Sam Fox, I have some fun
Whose you are? This is SamanthaLove houseI'll open the door, come closer
Something good in stone, woo
What you got me for, yeah?
This is SamanthaJust knock
I'll be good to youI hope you enjoyed your visit to the house
