

Even The Nights Are Better

Air Supply

I, I was the lonely one
Wondering what went wrong
Why love had gone
And left me lonely I, I was so confused
Feeling like I'd just been used
Then you came to me
And my loneliness left me I use to think I was tied to a heartache
That was the heartbreak but now that I've found you Even the nights are better
Now that we're here together
Even the nights are better
Since I found you Even the days are brighter
When someone you loves beside you
Even the nights are better
Since I found you You, you knew just what to do
'Cause you had been lonely too
And you showed me how
To ease the pain And you did more
Than mend a broken heart
'Cause now you've made a fire start
And I, I can see that you feel the same way I never dreamed there'd be someone to hold me
Until you told me and now that I've found you Even the nights are better
Now that we're here together
Even the nights are better
Since I found you Even the days are brighter
When someone you loves beside you
Even the nights are better
Since I found you I never dreamed there'd be someone to hold me
Until you told me and now that I've found you Even the nights are better
Now that we're here together
Even the nights are better
Since I found you Even the days are brighter
When someone you loves beside you
Even the nights are better
Since I found you Even the nights are better
Now that we're here together
Even the nights are better
Since I found you
