My Phrasebook

The Notwist

This is me
This is me talking
This is my room
This is my head talking
My head is a person
I don't know who I am
This is a way to visit meRoam through my house is always empty
My room knows where I am
Don't leave me here
I pull off my skin
Shows you how to carry on
This is me
This is me talking
This is my room
These are my things
This is my head talking
My head is a person
My room knows where I am
Roam through my house is always empty
My room knows where I am
Don't leave me here
I pull off my skin
Shows you how to carry on
