

Sea Of Angels

Plus One

It takes my breathe like a cheap perfume
And leaves me in tears
And everyone under the moon
Knows it's here Like a dream where you can hardly move
So paralyzed
I could decide to let the fear abuse
Or realize That there's another world unseen
It open when your heart believes We are all surrounded
Swimming in a sea of angels
We are not forgotten and we will win
Because you send your angels Stretching out across the sky
Till I can't count
The scenery before my eyes
I drop my mouth How could I ever let this sight
Slip my mind
You are the source of the ones in fight
So raid the sky And take away the blinding tear
Let us always know you're here We are all surrounded
Swimming in a sea of angels
We are not forgotten and we will win
Because you send your angels Pick me up, Lord
Pick me up, Lord
Pick me up, Lord
Pick me up, Lord Pick me up, Lord
Pick me up, Lord
Pick me up, Lord
Pick me up, Lord We are all surrounded
Swimming in a sea of angels
We are not forgotten and we will win
Because you send your angels And take me away, away from here
My Lord, my Lord Rain down, won't you link me to Your grace
Rain down and I'll link you to my faith
