Persuasion (Instrumental)

Richard Thompson

You and I, tempted by the promise of a different life
Time has fled, there's a constant battle
Running through my head
I don't know what to do 'cause I still believeAfter all the foolish things you put me through
I could always make a start on something new
And I've always been a man who's open to
PersuasionBlind romance, there'll be no half measures given half a chance
But we never learn, trusting in the fire while the cruel flame burns
And we need to rebuild what was never there
What got left behindAfter all the foolish things that we've been through
I could always make a start on something new
And I'll always be a man who's open to
PersuasionAnd it's written in my heart so that everybody can see it
And it's written in my soul, after all I still believe it
I still believe it, I still believe it
I still believe it, I still believe itI don't know what to do 'cause I still believe
After all the foolish things you put me through
I could always make a start on something new
And I'll always be a man who's open to
Persuasion, persuasion, persuasion, persuasionI still believe it
I still believe it persuasion
I still believe it, still believe it
I still believe it persuasion, persuasion
