

# Sweet Jesus

Zakk Wylde

Talkin' down the line  
I nearly lost my mind  
Nearly lost you babe  
I think about you child  
Through my sick and twisted smile  
I nearly lost you babe Shakin' in my hands  
I just don't understand  
I nearly lost ya mama  
Lovin' just to hate  
A war that just won't wait  
I nearly lost ya babe My eyes have gone blind  
Oh, the past I just can't find  
A flower to be saved  
A flower for your grave  
Mama at times I just don't know  
Oh, sweet Jesus, where'd I go? What it was to be  
Was kinda clear to see  
Nearly lost ya babe  
There ain't no backin' down  
'Cause I ain't nobody's clown  
I nearly lost you mama Breakin' down inside, yeah  
I nearly lost you babe  
Forever one more time  
Until the day I die  
I nearly lost ya babe My eyes have gone blind  
Oh, the past I just can't find  
A flower to be saved  
A flower for your grave  
Though I just don't know  
Oh, sweet Jesus, where'd I go?  
Where'd I go? Oh, yeah Oh, my eyes, they have gone blind  
The past I just can't find, oh  
Flower to be saved  
A flower for your grave  
Mama, I just don't know  
Oh, sweet Jesus, where'd I go?
