Lost

Michael Buble

Can?t believe it?s over, I watched the whole thing fall
And I never saw the writing that was on the wall
If I?d only knew that days were slipping past
That the good things would never last, that you were crying
Mmm, summer turned to winter and the snow had turned to rain
And the rain turned into tears upon your face
I hardly recognize the girl you are today
And God, I hope it's not too late, mmm, it's not too late
'Cause you are not alone, I?m always there with you
And we?ll get lost together till the light comes pouring through
'Cause when you feel like you?re done and the darkness has won
Babe, you?re not lost
When your world?s crashing down and you can?t bear the thought
I said, "Babe, you?re not lost"
Life can show no mercy, it, it can tear your soul apart

It can make you feel like you?ve gone crazy but you?re not
And things have seemed to change, there?s one thing that?s still the same
In my heart, you have remained and we can fly, fly, fly away
'Cause you are not alone and I am there with you
And we?ll get lost together till the light comes pouring through
'Cause when you feel like you?re done and the darkness has won
Babe, you?re not lost
And the world's crashing down and you cannot bear the cross
I said, "Baby, you?re not lost"
Mmm, yeah, yeah, yeah, yeah
I said, "Baby, you?re not lost"
I said, "Baby, you?re not lost"
Ooh, yeah, yeah
I said, "Baby, you?re not lost"
