

Still In Love

Stage Dolls

(T. Flakne/B. Icon)

New York city, and I'm out with the boys,
on fortysecond street makin' some noise
Another weekend and my baby's away
 temptations drivin' me insane
Ain't makin' no promises I can't keep
 I've got a lady back home
 and she's waitin' there for me
 I'm in love, still in love
 oh-oh-oh
 I'm in love, still in love
 oh-oh-oh
Ain't makin' claims about being a saint
 human nature just tells me I ain't
The thought of you'll make a blind man see
hey little girl, look what you're doin' to me
 doin' to me
Ain't makin' no promises I can't keep
 'cause I've got a lady back home
 and she's waiting there for me
 I'm in love, still in love
 oh-oh-oh
 I'm in love, still in love
 oh-oh-oh
 In love, still in love
 oh-oh-oh
Ain't makin' no promises I can't keep
 I've got a lady back home
 waitin' there for me, Ah
 I'm in love, still in love
 oh-oh-oh
 I'm in love, still in love
 oh-oh-oh
