

# Slow Dance in a Parking Lot

Jordan Davis

Lights go down  
Wheels go 'round  
I'm takin' you home  
Hopin' for a slow song to come on the radio now  
I'm not ready to shut it down  
The way the dashboard glow  
Is hittin' your eyes makin' me lose everything on my mind  
And the only thing I wanna do is find a spot  
Stop this car and throw it in park and just Slow dance with you  
Spinnin' you 'round by the Walmart sign  
And movin' our feet over the painted white lines  
Gettin' close to you  
Makin' the most of whatever we got  
Even if it's just a slow dance in a parkin' lot  
(Slow dance in a parkin' lot)  
Half song gone  
One door open across the lot  
Arena cops rollin' a security car  
His yellow lights spinnin' and flashin' in time  
To the radio singin' a little Garth Brooks  
You start hummin' the very last verse to 'She's Every Woman'  
And I don't care what song comes next  
I'm fallin' right here, don't want a safety net Slow dance with you  
Spinnin' you 'round by the Walmart sign  
And movin' our feet over the painted white lines  
Gettin' close to you  
Makin' the most of whatever we got  
Even if it's just a slow dance in a parkin' lot And get close to you  
Makin' the most of whatever we got, even if it's just  
A slow dance with you  
Spinnin' you 'round by the Walmart sign  
And movin' our feet over the painted white lines  
Gettin' close to you  
Makin' the most of whatever we got  
Even if it's just a slow dance in a parkin' lot  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
