chorus:
smokin on that sticky hydro indo tonight, take a puff and pass it a-round cause we gone get high x 2

nigga pass that shit this way when you get done done, this one is weak kind of not feeling this one is done so roll up another blunt. been smoking so much that i cant get enough nough, i been smoking a lot all kinds of killa refre so come now nigga give me shotgun. my vision is blurred and i cant see nothing but haze haze , nigga is in a zone because of the smoke forreala my nigga i'm in a fuckin daze. we dont got no blunt wraps fuck it roll up some j's j's. my nigga i could give a fuck a pipe aluminium foil i'll smoke any fuck way.

chorus
x2
taken every single last hit till your finger tips tips ,
its on got that pop Texas weed take a hit of this.
when you roll through texas pick up a sack its the shit shit.just a couple of hits garuntee just a lil bit it will do its job for you nigga it will get you bent. i live for this it the greatest feelin i just cant quit. every time i take hit of mary jane i fail in love all over again its that sent it the feelin every time i around her i got to get that fix i got to get more then just a little bit if nigga dont get then he is fixin to through a fet . fellin up them lunges lunges, smokin on it with someone, smoke out in don-gin never had a duel moment nor do me want none. smokin on hydro hydro my nigga i'm blow. take a puff i go i go right by my side yo. i want a bag of bud with out them fuckin seeds just me and my niggas going to smoke this up indeed , so pass that lighter cause i want to get higher come and blase with a soldiar nigga with this weed inside ya
