

# What Was It You Wanted

Willie Nelson

What was it you wanted?  
Tell me again so I'll know  
What's happening in there  
What's going on in your show?  
What was it you wanted  
Could you say it again?  
I'll be back in a minute  
You can get it together by then  
What was it you wanted?  
You can tell me, I'm back  
We can start it all over  
Get it back on the track  
You got my attention  
Go ahead, speak  
What was it you wanted  
When you were kissing my cheek?  
Was there somebody looking  
When you give me that kiss  
Someone there in the shadows  
Someone that I might have missed?  
Is there something you needed  
Something I don't understand?  
What was it you wanted  
Do I have it here in my hand?  
Whatever you wanted  
Slipped out of my mind  
Would you remind me again  
If you'd be so kind?  
Has the record been breaking  
Did the needle just skip?  
Is there somebody waitin'  
Was there a slip of the lip?  
What was it you wanted?  
I ain't keepin' score  
Are you the same person  
That was here before?  
Is it something important?  
Maybe not  
What was it you wanted?

Tell me again, I forgot Whatever you wanted

What could it be?

Did somebody tell you

That you could get it from me?

Is it something that comes natural?

Is it easy to say?

Why do you want it?

Who are you anyway?

Is the scenery changing?

Am I getting it wrong?

Is the whole thing going backwards?

Are they playing our song?

Where were you when it started?

Do you want it for free?

What was it you wanted?

Are you talking to me?
