

# Love You

Syd Barrett

Honey love you, honey little  
Honey funny sunny morning, love you  
More funny love in the skyline baby  
Ice cream excuse me  
I seen you looking good the other evening Oh you dig it  
Had to smile just an hour or so  
We in love like I think we be  
It ain't a long rhyme  
It took ages to think  
I think I'll hurl it in the water, baby Honey love you, honey little  
Honey funny sunny morning, love you  
More funny love in the skyline baby  
Ice cream excuse me  
I seen you looking good the other evening Flaking you are  
A nice little one to put it all around  
It's just good I like it  
Hey hey hey  
S'ppose some time that day  
Whoopee swing along over across to me Honey love you, honey little  
Honey funny sunny morning, love you  
More funny love in the skyline baby  
Ice cream excuse me  
I seen you looking good the other evening Good time rocker woman  
We'll stray our pieces  
Little creepy we shine so sleepy  
So whoopee that's how you look Honey love you, honey little  
Honey funny sunny morning, love you  
More funny love in the skyline baby  
Ice cream excuse me  
I seen you looking good the other evening
