

# All Around the World

## Mindless Behavior

MB... All Around the World...  
Beezy girl, girl, girl. Uh, girl.  
Come through the gate in this place; Looking for one.  
Where is that one, girl?  
Cause everywhere that I go, it's like I see you around.  
Am I chasing you, or are you chasing me?  
I looked everywhere; Don't know where you could be...  
But if you come with me now, we'll make our way through the crowd.  
And when they see us, we'll be shutting it down, and going...

All Around the World!  
P-Put your hands in the sky, wave em side to side!  
I'm looking for you, All Around the World!  
Go wherever your heart is; I gotta find it!  
Oh, oh, oh, oh, oh, oh, oh, oh, oh!  
Wherever your heart is, I gotta find it!  
Oh, oh, oh, oh, oh, oh, oh, oh, oh!  
I'm looking for you All... A-round... the... World!

I don't know why you so shy, when your swagga so fly; Pretty brown eyes... Girl.  
There ain't a star in the whole galaxy that can light up the night like you do it for me.  
So, if you're wonder where do I go, then baby stand up! (stand up)  
Enter this night as the ground; We on the dance floor.  
But if you come with me now, we'll make our way through the crowd.  
And when they see us, we'll be shutting it down, and going...

All Around the World!  
P-Put your hands in the sky, wave em side to side!  
I'm looking for you, All Around the World!  
Go wherever your heart is; I gotta find it!  
Oh, oh, oh, oh, oh, oh, oh, oh, oh!  
Wherever your heart is, I gotta find it!  
Oh, oh, oh, oh, oh, oh, oh, oh, oh!  
I'm looking for you All... A-round... the... World!

B-B-Baby come closer...  
D-Don't make me wait much longer.  
Don't you want to be, (oh) right here next to me? Yeah.  
I want to feel how it is to love!  
So, if you're wonder where do I go, then baby stand up! (stand up)  
Enter this night as the ground; We on the dance floor.

But if you come with me now, we'll make our way through the crowd.

And when they see us, we'll be shutting it down, and going...

All Around the World!

P-Put your hands in the sky, wave em side to side!

I'm looking for you, All Around the World!

Go wherever your heart is; I gotta find it!

Oh, oh, oh, oh, oh, oh, oh, oh, oh!

Wherever your heart is, I gotta find it!

Oh, oh, oh, oh, oh, oh, oh, oh, oh!

I'm looking for you All... A-round... the... World!

MB!... Put your hands up!
