Feelin' Way Too Damn Good

Advisory - the following lyrics contain explicit language:

I missed you so much
That I begged here to fly here and see me
You must've broke down
'Cause you finally said that you would
But now that you're here
I just feel like I'm constantly dreaming
'Cause something's gotta go wrong
'Cause I'm feelin' way too damn goodFor forty eight hours
I don't think that we left my hotel room
Should show you the sites
'Cause I'm sure that I said that I would
We gotta make love just one last time in the shower
Well something's gotta go wrong
'Cause I'm feelin' way too damn goodAnd it's likeEvery time I turn around
I fall in love and find my heart face down
And where it lands is when it should
This time it's like
The two of us should probably start to fight
'Cause something's gotta go wrong
'Cause I'm feelin' way too damn goodFeelin' way too damn goodSometimes life ain't best if left in the memory
It's better kept inside than left for good
Lookin' back each time they tried to tell me
Well something's gotta go wrong
'Cause I'm feelin' way too damn goodAnd it's likeEvery time I turn around
I fall in love and find my heart face down
And where it lands is when it should
This time it's like
The two of us should probably start to fight
'Cause something's gotta go wrong
'Cause I'm feelin' way too damn goodFeelin' way too damn goodI missed you so much
That I begged here to fly here and see me
You must've broke down

'Cause you finally said that you would
But now that you're here
I just feel like I'm constantly dreaming
'Cause something's gotta go wrong
'Cause I'm feelin' way too damn goodAnd it's likeEvery time I turn around
I fall in love and find my heart face down
And where it lands is when it should
This time it's like
The two of us should probably start to fight
'Cause something's gotta go wrong
