

# You Bring Me Joy

Mary J. Blige

Hey, hey, hey!  
Hey, hey, hey!  
Hey, hey, hey! I don't know what I would do  
Do without you  
In my life boy  
I don't know if I could live  
Live without you  
You bring me joy You know if the time is right  
I don't wanna fuss n fight  
I just wanna let you know  
I'm feeling good tonight  
I want you to take my hand  
And promise you'll be cool  
Cause I know you like the way that I move Oh, oh boy you bring me joy  
Some try to play me  
But they can't fade me  
Oh, oh boy you've go it goin on  
And you make me happy (happy)  
So very happy I don't know what I would do  
Do without you  
In my life boy  
I don't know if I could live  
Live without you  
You bring me joy You know when I think of you  
I'm thinkin of myself  
I just wanna be with you, my friend  
And no one else  
It's not hard  
To say what I feel  
Cause you know that my love is for real Oh, oh boy I'll be your toy  
Come on and play with me  
And never leave me  
Oh, oh boy you've got it goin on  
And you satisfy me (yes you do)  
You satisfy me So much joy  
In my world  
Be my man  
And I'll be your girl I don't know what I would do  
Do without you

In my life boy  
I don't know if I could live  
Live without you  
You bring me joy Wait just a minute  
Something else is on my mind  
I don't wanna have to tell you  
This but one more time  
You're the only man I want  
And I ain't never gonna front  
On ya baby so relax your mind  
And realize I don't know what I would do  
Do without you  
In my life boy  
I don't know if I could live  
Live without you  
You bring me joy  
I don't know what I would do  
Do without you  
In my life boy  
I don't know if I could live  
Live without you  
You bring me joy Realize that I'm gonna do you right
