

You Might Need Somebody - Acoustic Version

[Shola Ama](#)

When somebody reaches for your heart
Open up and let them through
'Cause everybody needs someone around
Things can tumble down on you You'll discover when you look around
You don't have to be alone
Just one lover is all you need to know
When you're feeling all alone Oh, you might need somebody
You might need somebody too
(You might need somebody too)
You might need somebody
You might need somebody too
(You might need somebody too) Yeah, yeah
Oh, baby, baby If there's fire stirring in your heart
And you're sure it's strong and right
Keep it burning through the cold and dark
It can warm the lonely nights Oh, you might need somebody
You might need somebody too
(You might need somebody too) You might need somebody
You might need somebody too
(You might need somebody too)
Oh, you might need somebody too
(Need somebody)
Yeah, oh, you're gonna need somebody too
(Need somebody) Yeah, yeah, you might need somebody too, baby
(Need somebody)
Oh, I do, ooh, I know I do need somebody too
