

# Stitches and Burns

## Fra Lippo Lippi

People say that I'm a fool  
Well I don't know  
At least I found out  
what it takes to be strong  
I was dreaming all day long  
A drifting cloud  
With eyes wide open  
I would choose not to see\*Now I don't want  
to see you anymore  
Don't want to be the one  
to play your game  
Not even if you smile  
your sweetest smile  
Not even if you beg me  
darling pleaseSay good morning to the world  
I hope you like it  
take good care of all those  
things that we have  
I've been looking for a way  
for too long now  
seems like everything  
must come to an end\*repeat
