

# Trespassing

## Skull Snaps

Well, I was walkin' for some time  
When I came across this sign  
We don't like when visitors come."  
"No Trespassing," that's what it said  
At least that's what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!

One day I was trippin' and that's when I could see  
That the ether I had tapped into could be reality  
It was great, that's when I climbed that optimistic vine  
Once I hit that mountain peak, I began to lose my mind  
I don't need no sympathy.  
I won't cry and whine.  
Life's my light and liberty  
And I shine when I wanna shine.  
Make their faces crack  
There's no turnin' back.  
Let's go!

Well, I was walkin' for some time  
When I came across this sign  
Sayin' "Who are you and where are you from?"  
We don't like when visitors come."  
"No Trespassing," that's what it said  
At least that's what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!

I ain't got BS in my bag  
That's the one thing you can believe  
My heart is gold, my body is glass  
Come on baby, can't you see?  
I don't need no GPS  
To show me where to go  
But I can turn it to the north pole  
And show you what is cold  
I don't need no sympathy.  
I won't cry and whine.

Life's my light and liberty  
And I shine when I wanna shine.

Make their faces crack (crack)  
There's no turnin' back.  
Let's go!  
Well, I was walkin' for some time  
When I came across this sign  
Sayin' "Who are you and where are you from?  
We don't like when visitors come."  
"No Trespassing," that's what it said  
At least that's what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!  
Wait 'til ya get a load of me!  
I said wait 'til ya get a load of me!  
I ain't stayin' at home  
I got places to roll  
I ain't stayin' at home  
No, no, no  
Hey, hey, hey  
Heyeah, yeah, yeah!  
I don't need no sympathy.  
I won't cry and whine.  
Life's my light and liberty  
And I shine when I wanna shine.  
Heh heh  
Heh heh  
Heh heh  
Heh heh  
Let's go!  
Well, I was walkin' for some time  
When I came across this sign  
Sayin' "Who are you and where are you from?  
We don't like when visitors come."  
"No Trespassing," that's what it said  
At least that's what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!
