Heartbreaker

Strawbs

Well anyway it's a long story. She's been waiting for so long.
Still got the songs in her mind and the autograph on
the photograph. She's got a past full of secrets. She's got
a clock on her feelings. Back from the days when she used to
have wings. She had a dream full of anger. She had a dream
full of action. Afraid to get old she feels so cold. Such a typical
reaction.
Chorus:
Oh yeah. Oh yeah. She wanted to be a heartbreaker. Oh yeah,
she was so greedy but lousy lovemaker. Oh yeah. Oh yeah.
She wanted to be a heartbreaker. (Oh yeah)
She used to be a queen of the scene. She had a key
but she lost it. Nothing's gonna last and the time goes fast
-she knows. She had a man but she messed it up again.
She had a chance but she blew it. She's gotta little babyboy
in her womb but she doesn't have a clue yet, she doesn't have
a clue yet.
Chorus
Striking her down. Crushing her to the ground.
(Heartbreaker. (6x))
Chorus
(Heartbreaker. (repeat till the end))
