Rise Today

Arkaea

The wind is blowing cold
Have we lost our way tonight?
Have we lost our hope to sorrow?
Feels like we're all alone
Running further from what?s right
And there are no more heroes to follow
So what are we becoming?
Where did we go wrong?
Yeah, oh yeah
I wanna rise today and change this world
Yeah, oh yeah
Oh, won?t you rise today and change this world?
The sun is beating down
Are we ever gonna change?
Can we stop the blood from running?
Our time is running out
Hope we find a better way
Before we find we?re left with nothing
For every life that?s taken
So much love is wasted
Yeah, oh yeah
I wanna rise today and change this world
Yeah, oh yeah
So won?t you rise today and change this world?
Only love can set it right
This world, if only peace would never die
It seems to me that we?ve got each other wrong
Was the enemy just your brother all along?
Yeah, oh yeah
I wanna rise today and change this world
Yeah, oh yeah
Oh, won?t you rise today and change this world?
Yeah, oh yeah
I wanna rise today and change this world
Yeah, oh yeah
I wanna rise today and change this world
