God's Whisper

Raury

[Verse 1]
I won't compromise
I won't live a life
On my knees
You think I am nothing
I am nothing
You've got something coming
Something coming because[Hook 1]
I hear God's whisper
Calling my name
It's in the wind
I am the savior
(Sing it again!)
Savior
Savior
(I can't hear you! What?)
Savior (What?)
Savior[Verse 2]
We are indigos
(Savior, Savior)
Living lives we chose
(Savior, Savior)
Show you're brave
Those will faith
(Savior, savior)
On a mission
Led by intuition
You should listen because[Hook 2]
I hear God's whisper
Calling my name
It's in the wind
I am the savior
I hear God's whisper
Calling my name
It's in the wind
I am the savior
We are the saviors![Bridge (2X)]

It's in the wind
I am the savior
We are the saviors![Outro]
