Out Of The Game

Micatone

High above the land
You asked me for my hand
You even brought the ring
Champagne and everything
A ring of your own design
A ring that shimmered and shined
You told me you will be mine
No matter what I decide

And I thought
No no no no no no no no no
Let me go let me go let me go

I'm out of the game
Honey I feel the shame
But you know I can't be tamed
You're not the one to blame
I think I'm out of the game

I said I need some time
Until I will decide
But I all I wanted was hide
From being your future bride
You're not the one to blame
Baby I feel the shame
But you know I can't be tamed

I'm out of the game
Honey I feel the shame
But you know I can't be tamed
You're not the one to blame
I guess I'm out of the game
