

Oncoming Train

Anastacia

Lord knows I waited for the day
When I feel this way again.
I lived through all the ups and downs,
Now I picked myself up again.
But how can I trust you?
When I don't even trust myself...
But how could I doubt you?
'Cause it's only you, nobody else!
Is this the light at the end of the tunnel?
Is this the end, the end of all my trouble?
Is this the light at the end of the tunnel? Yeah-yeah...
Or just the light of another oncoming train?
Oncoming train...
Birds singing, singing in the trees
Each morning when I rise.
But I can't see in front of me,
There's too many stars in my eyes.
So how can I trust you?
When I don't even trust myself...
But how could I lose you?
'Cause its only you, nobody else!
Is this the light at the end of the tunnel?
Is this the end, the end of all my trouble?
Is this the light at the end of the tunnel? Yeah...
Or just the light of another oncoming train?
I said oncoming train, train...
Whoah-oh-oh!
Is this the light at the end of the tunnel?
Is this the end?
I said the end of all my trouble?
Is this the light at the end of the tunnel?
Or just the light of another oncoming train?
