From the Ground

Crack Up

Grandma and grandpa painted a picture
Of 65 years in one little house
More than a memory
More than saying I do
Kiss you goodnights
And I love you's
Me and you baby
We'll walk in their footsteps
We'll build our own family
One day at a time
10 little toes
A painted pink room
Our beautiful baby looks just like you
And we'll build this love from the ground up
Now til forever it's all of me, all of you
Just take my hand and I'll be the man your dad hoped that I'd be
And we'll build this love from the ground up
For worse or for better
And I will be all you need
Beside you I'll stand through the good and the bad
We'll give all that we have
And we'll build this love from the ground up
This life will go by in the blink of an eye
But I wouldn't wanna spend it without you by my side
The clouds are gonna roll
The earth's gonna shake
But I'll be your shelter
Through the wind and the rain
And we'll build this love from the ground up
Now til forever it's all of me, all of you
Just take my hand and I'll be the man your dad hoped that I'd be
And we'll build this love from the ground up
For worse or for better
And I will be all you need
Beside you I'll stand through the good and the bad
We'll give all that we have
And we'll build this love from the ground up
Someday we'll wake up with thousands of pictures
Of 65 years in this little house

I won't trade for nothin' this life that we built
I'll kiss you goodnight and say I love you still
And we'll build this love from the ground up
For worse or for better
And I will be all you need
Beside you I'll stand through the good and the bad
We'll give all that we have
And we'll build this love from the ground up
From the ground up
