

# From the Ground

## Crack Up

Grandma and grandpa painted a picture  
Of 65 years in one little house  
More than a memory  
More than saying I do  
Kiss you goodnights  
And I love you's  
Me and you baby  
We'll walk in their footsteps  
We'll build our own family  
One day at a time  
10 little toes  
A painted pink room  
Our beautiful baby looks just like you  
And we'll build this love from the ground up  
Now til forever it's all of me, all of you  
Just take my hand and I'll be the man your dad hoped that I'd be  
And we'll build this love from the ground up  
For worse or for better  
And I will be all you need  
Beside you I'll stand through the good and the bad  
We'll give all that we have  
And we'll build this love from the ground up  
This life will go by in the blink of an eye  
But I wouldn't wanna spend it without you by my side  
The clouds are gonna roll  
The earth's gonna shake  
But I'll be your shelter  
Through the wind and the rain  
And we'll build this love from the ground up  
Now til forever it's all of me, all of you  
Just take my hand and I'll be the man your dad hoped that I'd be  
And we'll build this love from the ground up  
For worse or for better  
And I will be all you need  
Beside you I'll stand through the good and the bad  
We'll give all that we have  
And we'll build this love from the ground up  
Someday we'll wake up with thousands of pictures  
Of 65 years in this little house

I won't trade for nothin' this life that we built  
I'll kiss you goodnight and say I love you still  
And we'll build this love from the ground up  
For worse or for better  
And I will be all you need  
Beside you I'll stand through the good and the bad  
We'll give all that we have  
And we'll build this love from the ground up  
From the ground up
